Symposium Schedule

8:00 am	Coffee and Registration
8:30 am	Introduction <i>Dr. Michael Gold</i> , Interim Director, The Center for Agroforestry
	Welcome and Introduction of Keynote Speaker: <i>Dr. Christopher Daubert</i> , Dean, College of Agriculture, Food and Natural Resources
8:45 am	Priorities for Advancing Soil Health Management Systems <i>Dr. Wayne Honeycutt</i> , President and CEO, Soil Health Institute
9:30 am	Soil Health and Promoting Multi-Functional Agriculture Systems: Insights from California <i>Dr. Amelie Gaudin</i> , Associate Professor, University of California Davis
10:00 am	Coffee break
10:30 am	Soil Ecosystems Services of Agroforestry <i>Dr. Ranjith Udawatta</i> , Center for Agroforestry
11:00 am	Panel Discussion: Farmer Perspectives on Enhancing Soil Health Moderator: <i>Rachel Owen</i> , Doctoral Research Assistant, Soil Ecologist USGS Fellow
12:00 pm	Lunch (Exhibitors, Soil Demonstrations and Poster Session in McQuinn Atrium)
1:30 pm	Healthy Soils: The Missouri Partnership <i>Sara Parker Pauley</i> , Director, Missouri Department of Conservation
2:00 pm	Advances in Soil Health Indicators: Developing Affordable and Interpretable Tests for Farmers <i>Dr. Kristen Veum</i> , USDA-ARS
2:30 pm	Farmer Collaborative Research through the Soil Health Partnership <i>Dr. Nick Goesser</i> , Soil Health Partnership/NCGA
3:00 pm	Break
3:30 pm	National and Regional Trends in Adoption of Soil Health Practices <i>Dr. Rob Myers</i> , Director, USDA - North Central SARE
4:00 pm	Panel Discussion: Programs and Agency Coordination for Soil Health in Missouri Moderator: <i>Gregory O. Mori</i> , Outreach Coordinator, UMCA
5:00 pm	Poster Session and Reception in McQuinn Atrium (Adjourn 6:00p.m.)

About the Center for Agroforestry

The Center for Agroforestry at the University of Missouri (UMCA), established in 1998, is one of the world's leading centers contributing to the science underlying integrated practices of agroforestry. Our major goal is to support the long-term future of family farms and forests by achieving economic, environmental, and social sustainability. Each year in January, UMCA hosts the Agroforestry Symposium, an opportunity to bring together leading researchers and practitioners to explore in depth and showcase a compelling agroforestry related theme.

The Center for Agroforestry would like to thank our sponsors for their generous support
